NOTICE: Front Yard Setbacks. *Curbs, sidewalk edges and edges of street pavement are not necessarily your front property line. In the case where your setback will be measured from the front property line, be certain that you are measuring from the actual front property line and that your site plan depicts this. In the event your setback will be measured from a private access easement, the edge of the improved road is not necessarily your front property line. Be certain that you are measuring from the edge of the actual easement and that your site plan depicts this.*
