

## CITY OF GRANITE FALLS MITIGATION FEES - 2017

**Traffic:** The transportation fee in the City of Granite Falls is \$2,500/ERU or \$261.23/trip for commercial (Ordinance 668-03)

For commercial: 3 or 4 axle trips multiply by 2 5 or more axle trips multiply by 4 to correct for passenger car equivalency

**Snohomish County Impact Fees:** Please see Snohomish County Traffic Worksheet and Traffic Study Requirements for Developments in the City of Granite Falls and Snohomish County Traffic Worksheet and Traffic Study Requirements for Developments in Snohomish County.

**Schools:** School mitigation fees are determined by the Granite Falls School District No. 332. As of this date, the District is not charging for mitigation fees for any new developments.

**Parks:** The park fee for the City of Granite Falls is \$230 per new dwelling unit.

**Water:** The fee per ERU for water connection is currently \$3500 (City portion of GFC) + \$3645 (PUD portion of GFC). Total fee per ERU is \$7145

\*Water does not include meter drop fees or cost of meter.

**Sewer:** The fee per ERU for sewer connection is \$7,300

\*Sewer does not include side sewer inspection

These fees are all subject to change based on the City's current adopted fee resolution. For a comprehensive list of all City fees and rates, please refer to the fee resolution
