

**CITY OF GRANITE FALLS  
GRANITE FALLS, WASHINGTON**

**ORDINANCE NO. 833-2012**

**AN INTERIM ORDINANCE OF THE CITY OF GRANITE FALLS, WASHINGTON, ADOPTING AN EXTENSION OF A MORATORIUM ON THE ESTABLISHMENT OF MEDICAL MARIJUANA DISPENSARIES, COLLECTIVE GARDENS AND THE LICENSING AND PERMITTING THEREOF; DEFINING “MEDICAL MARIJUANA DISPENSARY”; PROVIDING FOR A PUBLIC HEARING; REFERRING THE MATTER TO THE PLANNING COMMISSION FOR REVIEW; ESTABLISHING AN EFFECTIVE DATE; AMENDING ORDINANCE NO. 825-2011 AND PROVIDING THAT THE EXTENDED MORATORIUM WILL EXPIRE SIX (6) MONTHS FROM THE DATE OF ADOPTION.**

**WHEREAS**, Initiative Measure No. 692, approved November 3, 1998, created an affirmative defense for “qualifying patients” to the charge of possession of marijuana; and

**WHEREAS**, the initiative and current Chapter 69.51A RCW are clear that nothing in its provisions are to be “construed to supersede Washington state law prohibiting the acquisition, possession, manufacture, sale or use of marijuana for non-medical purposes”; and

**WHEREAS**, the Washington State Department of Health opines that it is “not legal to buy or sell” medical marijuana and further opines that “the law [Chapter 69.51.A RCW] does not allow dispensaries”, leaving enforcement to local officials; and

**WHEREAS**, the City Council finds that the sale of marijuana, no matter how designated by dispensaries, is prohibited by federal and state law; and

**WHEREAS**, ESSB 5073 – Chapter 181, Laws of 2011 (“the bill”) was adopted with a partial veto of the Governor became effective July 22, 2011; and

**WHEREAS**, Governor Gregoire vetoed 36 of the 58 provisions of ESSB 5073 and this has created considerable uncertainties and ambiguities regarding the meaning and enforcement of the bill; and

**WHEREAS**, Section 404 of the bill effectively eliminates medical marijuana dispensaries as a legally viable model of operation under State law; and

**WHEREAS**, Section 403 of the bill provides that qualifying patients may create and participate in collective gardens for the purpose of producing, processing, transporting and delivering cannabis for medical use subject to compliance with specific statutory conditions; and

**WHEREAS**, the City acknowledges the right of qualified health care professionals to prescribe the medical use of marijuana as well as the right of patients to designate a “designated provider” who can “provide” rather than sell marijuana to “only one patient at any one time”; and

**WHEREAS**, the City Council finds that the secondary impacts associated with marijuana dispensaries and collective gardens include but are not limited to the invasion of the business, burglary and robbery associated with the cash and drugs maintained on the site; and

**WHEREAS**, pursuant to Section 1102 of the bill and under their general zoning and police powers cities are authorized to adopt and enforce zoning requirements, business licensing requirements, health and safety requirements and business taxes on the production, processing or dispensing of cannabis or cannabis products; and

**WHEREAS**, the City currently has no zoning, licensing, and/or permitting requirements and/or regulations that address the medical marijuana collective gardens; and

**WHEREAS**, marijuana/cannabis remains a Schedule I drug under the federal Controlled Substances Act ("CSA") and is considered by the federal authorities to be a drug with no medical value, and its manufacture, distribution and/or possession are a violation of federal law; and

**WHEREAS**, there appears to be a conflict between state and federal law concerning the legal status of marijuana/cannabis and its manufacture, distribution, use and possession; and

**WHEREAS**, this conflict between federal and state law was highlighted by a January 17, 2012 letter to the Clark County Board of Commissioners, Joseph T. Rannazzisi, Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, U.S. Department of Justice, stated that anyone "who knowingly carries out the marijuana activities contemplated by Washington state law, as well as anyone facilitates such activities, or conspires to commit such violations, is subject to criminal prosecution as provided in the [Controlled Substances Act]" (underlining added); and

**WHEREAS**, on or about November 30, 2011, Washington State Governor Christine Gregoire and Rhode Island State Governor Lincoln Chaffee petitioned the United States Drug Enforcement Administration (DEA) to reclassify marijuana/cannabis as a Schedule II drug that has therapeutic value and that should be treated as a prescription drug; and

**WHEREAS**, reclassification of marijuana/cannabis as a Schedule II drug by DEA would allow marijuana/cannabis to be prescribed by physicians with restrictions and dispensed by pharmacies, and would potentially eliminate the current legal and planning dilemma Granite Falls and other Washington cities and towns are currently struggling with concerning regulation, permitting and licensing issues surrounding medical marijuana/cannabis; and

**WHEREAS**, a number of initiatives have been filed with the Washington State Secretary of State that if adopted would change the legal framework concerning medical marijuana once again; and

**WHEREAS**, the voters will vote on at least one initiative (Initiative 502) that if passed would legalize the production, possession, delivery and distribution of marijuana under State law; and

**WHEREAS**, on December 14, 2011, the City Council passed Ordinance No. 825-11 that imposed a six (6) month moratorium on the establishment of medical marijuana dispensaries, collective gardens and the licensing and permitting thereof; and

**WHEREAS**, Ordinance No. 825-11 will expire on or about June 11, 2012 (180 days from the date of adoption of Ordinance No. 825-11); and

**WHEREAS**, given the many complications, uncertainties and impacts that exist and that are described above, additional time is necessary to engage in a meaningful planning process related to the development of regulations that address zoning, licensing and/or permitting of medical marijuana and the impacts thereof; and

**WHEREAS**, a public hearing is scheduled and will be held on May 16, 2012, before Granite Falls City Council; and

**WHEREAS**, the City Council finds it is in the best interest of the City of Granite Falls and its citizens to extend the moratorium regarding the establishment of medical marijuana collective gardens and the licensing and permitting thereof for an additional six (6) month period;

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GRANITE FALLS, WASHINGTON, DO ORDAIN AS FOLLOWS:**

Section 5. This Ordinance shall be referred to the Granite Falls Planning Commission for its review and recommendation for potential inclusion in the zoning and development code of the City of Granite Falls Municipal Code.

Section 6. Ordinance to be Transmitted to Department. Pursuant to RCW 36.70A.106, a copy of this interim Ordinance shall be transmitted to the Washington State Department of Commerce.

Section 7. Severability. If any section, clause, and/or phrase of this Ordinance is held invalid by a court of competent jurisdiction, such invalidity and/or unconstitutionality shall not affect the validity and/or constitutionality of any other section, clause and/or phrase of the Ordinance.

Section 8. Effective Date.
