

**CITY OF GRANITE FALLS
GRANITE FALLS, WASHINGTON**

ORDINANCE NO. 825-2011

AN INTERIM ORDINANCE OF THE CITY OF GRANITE FALLS, WASHINGTON, ADOPTING A SIX MONTH MORATORIUM ON THE ESTABLISHMENT OF MEDICAL MARIJUANA DISPENSARIES, COLLECTIVE GARDENS AND THE LICENSING AND PERMITTING THEREOF; DEFINING "MEDICAL MARIJUANA DISPENSARY"; PROVIDING FOR A PUBLIC HEARING; REFERRING THE MATTER TO THE PLANNING COMMISSION FOR REVIEW; ESTABLISHING AN EFFECTIVE DATE AND EXPIRATION DATE.

WHEREAS, Initiative Measure No. 692, approved November 3, 1998, created an affirmative defense for "qualifying patients" to the charge of possession of marijuana; and

WHEREAS, the initiative and current Chapter 69.51A RCW are clear that nothing in its provisions are to be "construed to supersede Washington state law prohibiting the acquisition, possession, manufacture, sale or use of marijuana for non-medical purposes"; and

WHEREAS, the Washington State Department of Health opines that it is "not legal to buy or sell" medical marijuana and further opines that "the law [Chapter 69.51.A RCW] does not allow dispensaries", leaving enforcement to local officials; and

WHEREAS, the City Council finds that the sale of marijuana, no matter how designated by dispensaries, is prohibited by federal and state law; and

WHEREAS, ESSB 5073 – Chapter 181, Laws of 2011 ("the bill") was adopted with a partial veto of Governor Gregoire becomes effective July 22, 2011; and

WHEREAS, Governor Gregoire vetoed 36 of the 58 provisions of ESSB 5073 and this has created considerable uncertainties and ambiguities regarding the meaning and enforcement of the bill; and

WHEREAS, Section 404 of the bill effectively eliminates medical marijuana dispensaries as a legally viable model of operation under State law; and

WHEREAS, Section 403 of the bill provides that qualifying patients may create and participate in collective gardens for the purpose of producing, processing, transporting and delivering cannabis for medical use subject to compliance with specific statutory conditions; and

WHEREAS, the City Council finds that the secondary impacts associated with marijuana dispensaries and collective gardens include but are not limited to the invasion of the business, burglary and robbery associated with the cash and drugs maintained on the site; and

WHEREAS, pursuant to Section 1102 of the bill and under their general zoning and police powers cities are authorized to adopt and enforce zoning requirements, business licensing requirements,

health and safety requirements and business taxes on the production, processing or dispensing of cannabis or cannabis products; and

WHEREAS, the City currently has no zoning, licensing, and/or permitting requirements and/or regulations that address the medical marijuana collective gardens; and

WHEREAS, marijuana/cannabis remains a Schedule I drug under the federal Controlled Substances Act (“CSA”) and is considered by the federal authorities to be a drug with no medical value, and its manufacture, distribution and/or possession are a violation of federal law; and

WHEREAS, there appears to be a conflict between state and federal law concerning the legal status of marijuana/cannabis and its manufacture, distribution, use and possession; and

WHEREAS, on or about November 30, 2011, Washington State Governor Christine Gregoire and Rhode Island State Governor Lincoln Chaffee petitioned the United States Drug Enforcement Administration (DEA) to reclassify marijuana/cannabis as a Schedule II drug that has therapeutic value and that should be treated as a prescription drug; and

WHEREAS, reclassification of marijuana/cannabis as a Schedule II drug by DEA would allow marijuana/cannabis to be prescribed by physicians with restrictions and dispensed by pharmacies, and would potentially eliminate the current legal and planning dilemma Granite Falls and other Washington cities and towns are currently struggling with concerning regulation, permitting and licensing issues surrounding medical marijuana/cannabis; and

WHEREAS, a number of initiatives and referendum have been filed with the Washington State Secretary of State that if adopted would change the legal framework concerning medical marijuana once again; and

WHEREAS, it is anticipated that the State Legislature may again revisit the issues surrounding medical marijuana again during the 2012 legislative session; and

WHEREAS, on March 2, 2011, the City Council passed Ordinance No. 817-11 that imposed a six (6) month moratorium on the establishment of medical marijuana dispensaries, collective gardens and the licensing and permitting thereof; and

WHEREAS, Ordinance No. 817-11 expired on or about August 29, 2011 (180 days from the adoption of Ordinance No. 817-11); and

WHEREAS, given the many complications, uncertainties and impacts that exist and that are described above, additional time is necessary to engage in a meaningful planning process related to the development of regulations that address zoning, licensing and/or permitting of medical marijuana and the impacts thereof; and

WHEREAS, a public hearing is scheduled and will be held on January 4, 2012, before Granite Falls City Council; and

WHEREAS, the City Council finds it is in the best interest of the City of Granite Falls and its citizens to enact an additional zoning moratorium regarding the establishment of medical marijuana collective gardens and the licensing and permitting thereof for an additional six (6) month period from the date of adoption of this Ordinance;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GRANITE FALLS, WASHINGTON, DO ORDAIN AS FOLLOWS:
