Addendum #1

Addendum Date: April 9, 2018

Contact: Charles White, Public Works Operations Supervisor

Addendum in reference to 2018 AMR WATER METER PURCHASE.

Question 1: Is it the intent of the City to purchase new AMR meters, transmitters and reading software?

Answer 1: The City's intent is to purchase new condition AMR water meters that include transmitters (endpoint) only. The City does not intend to purchase reading software as part of this purchase.

Question 2: Is the City only looking to purchase meters to attached to the Orion transmitters?

Answer 2: Meters must include transmitters (endpoint). The city has no intention of purchasing transmitters solely to connect to existing meters.
