

TOWN OF GRANITE FALLS

RESOLUTION NO. 86-1

WHEREAS, sewage sludge management is a growing problem in Snohomish County, and;

WHEREAS, there are approximately eighteen (18) jurisdictions with similar disposal problems; and;

WHEREAS, there is general awareness of the need for consolidated sludge management planning in Snohomish County and there has been, to address the issue, an initial positive response to the use of a technical committee, and;

WHEREAS, the technical committee will consist of individuals involved with wastewater treatment, sludge disposal, and sludge management for cities, towns and sewer districts in Snohomish County; and

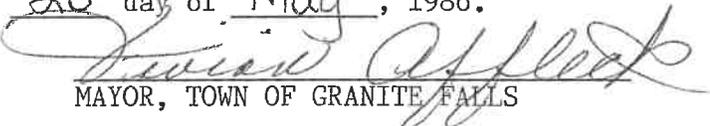

WHEREAS, the County agrees to provide logistical support to the technical committee, and;

WHEREAS, the technical committee will address technical needs for sludge management and will formulate proposals for additional planning, and;

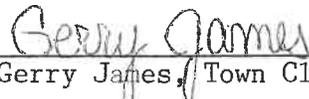

WHEREAS, the committee will forward proposals to the Snohomish Sub-Regional Council of the Puget Sound Council of Governments for policy guidance, and;

NOW, THEREFORE, BE IT RESOLVED, the Town of Granite Falls concurs with the approach outlines above and will participate in joint sludge management planning discussions of the committee by appointing a representative to the Technical Committee on Sludge Management.

This Resolution adopted this 28 day of May, 1986.

MAYOR, TOWN OF GRANITE FALLS
